PROFESSIONAL SUMMARY

FMVA certified Financial Analytics graduate student with experience in financial modeling, advanced corporate finance, data visualization and credit underwriting. Experienced in leveraging data and AI tools to automate financial processes and accelerate strategic decision-making.

WORK EXPERIENCE

Intern, 2Go Advisory Group, San Jose, CA

May 2026 – Present

- Leveraged management accounts, Excel functions (HLOOKUP, INDEX-MATCH/SUMIFS) to build integrated three-statement financial models for 2 startups under CFO-level mentorship
- Delivered fully integrated P&L, balance sheet, and cash flow projections, ensuring balance sheet reconciliation and cash flow accuracy to support strategic planning and investor reporting

Credit Analyst/Relationship Manager, Commercial Banking, ICICI Bank

Apr 2023 – July 2024

- Secured credit approvals exceeding \$11.0 million by conducting financial statement analysis and modeling with 97% accuracy and authoring high-quality credit memos for an A-rated aviation sector corporation
- Led end-to-end analysis of business groups comprising 5+ companies with combined debt exposure of \$180 million, including company-level debt, EBITDA margins, upcoming projects, and banking exposure
- Conducted sectoral analysis and competitive benchmarking, comparing group entities against 6+ industry peers to support credit committee recommendations
- Monitored quarterly financial performance of a duty-free business, identifying USD/INR fluctuations and pax traffic trends as key variance drivers across revenue, margins, and leverage ratios to inform credit risk decisions
- Spearheaded preparation of credit committee presentations for large corporate group evaluations resulting in new deals exceeding \$30.0 million for Delhi International Airport and GMR Airports Limited

Summer Intern, SMC Global Securities Limited

Apr 2022 – May 2022

- Performed comparative analysis of mutual funds of 2 AMCs with AUM of \$1.3 billion
- Synthesized survey responses from 150+ participants into insights for equity advisory team
